Collections & Shipping: *(Fees Are Paid Directly to the Veterinary Clinic used for Collection/Shipping)*

A minimum of 24 hours' notice prior to the Collection & Shipping date is required!

A Semen Request Form must be on file, complete with credit card information, before collection.

Collection days are Mondays, Wednesdays, and Fridays. Not all locations have Saturday delivery via Fed-Ex/UPS, an alternate delivery address or a CTC shipment may be required – if this applies, the additional address or airport preference must be included on the Semen Request Form.

Standard disposable containers will be used unless the use of an Equitainer is specified on the Breeding Contract.

Topline Equine Veterinary Care (TEVC): *(Fees listed are subject to change at any time at the discretion of the clinic)*

❖ Collection Fee (shipped via Fed-Ex/UPS) ~ \$300

❖ Collection Fee (shipped via Airport w/Courier Transport to MSP) ~ \$400

❖ Shipping Fee ~ Actual cost of courier service (Fed-Ex/UPS/Airline) at time of request charged directly to Mare Owner by the courier service selected.

Mare Reproductive Tests:

Open/barren mares must have a Negative uterine culture and equine cytology with sensitivity, current within 30 days, prior to first semen shipment. If mare does not have these tests prior to semen requirement and a shipment is made, a second shipment may not be made until lab results are received by Stallion Owner. For maiden mares, in absence of these reproductive tests, a third shipment may be refused by Stallion Owner until satisfactory lab results are received.

Payment Options: *(All fees include any applicable Wisconsin sales tax)*

Payments to Stephanie Plote Performance Horses are accepted in the form of cash, check, PayPal, Venmo, or Zelle.

A 5% Bank Fee will apply to payments “invoiced” or paid as “Goods & Services” and a \$50 Bank Fee will apply to returned checks.

Payments to TEVC are accepted in the form of cash, check or credit card.

A credit card must be on file with clinic regardless of payment method used for actual collection/shipment costs.
